

History

We will be looking at life in the Stone Age and Iron Age to try to answer the following questions.

- What was life like in the Stone Age?
- Were Stone Age humans simply hunters and gatherers, concerned only with survival?
- How different was life in the Stone Age when humans started to farm?
- What can we learn about life in the Stone Age from a study of Skara Brae?

RE - Special

The children will be exploring what special means and learning about the Sikh holy book.

PE – Monday and Friday

Children will receive two sessions a week. One of the sessions will be held by Personal Best on athletics and the other by class teacher on gymnastics.

PSHE

Me and my relationships

We'll be looking at important relationships and how we can help look after each other.

SCIENCE

We will be learning about 'Rocks and Soils' exploring different types of rocks and understanding how they are formed.

ENGLISH

In this fun book, a boy enters a cave and finds himself in the Stone Age. After our walk in the woods, we will be using our descriptive writing techniques to describe a Stone Age camp.

Why was this amazing monument built? What was Stonehenge used for, and who lived around the site? This lovely book will help us learn about one of the greatest ancient sites and write a diary in the perspective of one of the workers.

It Rocks!

The Stone Age and Rocks

Year 3
Autumn 1

MATHS

Children will be building on their learning from year 2 in these areas of Maths.

- Solving number problems and practical problems involving:
- Recognising the place value of each digit in a 3-digit number (hundreds, tens and ones) Up to 1000
- Finding 10 or 100 more or less than a number
- Using number bonds to 10 and 20 quickly.
- Writing numbers to 100 in numbers and words.
- Adding and subtracting numbers mentally.
- Using estimation and the inverse operation to check answers.

Art / DT

Looking at Prehistoric art and creating cave paintings

Music

Whole class instrumental lessons looking at South Africa

Computing

Introducing laptops and coding using Purple Mash
