Supporting your child with reading

Dear Parents and Carers,

Parents have an important role to play in helping their children to become better readers and to enjoy reading. We need your help in supporting and encouraging children to read at home.

The expectation at KEJS is that children will read at home 5 times a week. We would like you to read with your child if possible and sign their reading diary. Please write the date and what they have read. You can add a comment if you wish. Older children might fill in their own diaries, but we would still like parents to check that they are reading and sign their diaries.

If your child reads 5 times they will get a star in their diary. Children with 10 stars each term will get a special reward. All children need to make sure they have their reading diary and reading book in school every day.

Thank you for your help with this. Reading with children makes such a difference to their progress. Please do speak to your child's class teacher if you have any questions or concerns.

Kind regards,

Daniel Whitehouse
