

Geography

By the end of this topic we will be able to:

- name and locate the cities of the UK
- use the eight compass points to describe the location of the countries and cities of the UK
- explain what a county is.
- name some counties local to my area.
- find my county on a map.
- recognise human and physical features in my local area.

Art / DT

We will be designing and making our own castles.

Computing

We will continue learn how to create and edit a project in Scratch and use Google Earth to explore our country.

Forest School

We will continue to enjoy our lovely forest school space by taking our learning outside at least once each week.

Music

Our music lessons will focus on learning to recognise different sounds through different songs.

English

Year 3 will be taking part in the 'The Big Amazing Poetry Project' run by the Centre for Developing Primary Literacy. We will be enjoying lots of poetry together, performing some poems and writing our own poems. We hope we can share with you some of what we do!

Maths

Children will be continue to develop their maths skills with particular focus on the following areas.

Addition and Subtraction

- add and subtract numbers mentally,
- estimate the answer to a calculation and use inverse operations to check answers
- add and subtract numbers with up to three digits using a written method
- solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction

Multiplication, Division and fractions

- Write and calculate mathematical statements for multiplication and division.
- Begin learning the 'grid' method.
- Find fractions of a number of objects.
- Add fractions

A Local Study

Year 3
Summer 2

PE –Tuesday and Friday

Children will receive two sessions a week outdoors this term. We will be playing tennis and practising our athletics skills ready for sports week.

We will continue to practise remembering our kit and getting changed at school!

PSHE

Our topic is growing and changing. We'll learn about healthy relationships, basic first aid and personal space.
