

## Geography

The children find out about the major mountains of the world and the UK. They find out the different ways in which mountains have been formed, and how different features of mountain ranges have been shaped over time. Children will have the opportunity to consider what the weather is like in a mountainous environment and to evaluate the impact that tourism has on a mountainous region

### RE

We will explore the significance of 'Angels' in the Christmas story.

## Music

The children will be focussing on using their voices to work on singing expressively paying attention to articulation.
