

Science

Children will understand that materials can be changed by heating, cooling, mixing with other materials and whether these are reversible or irreversible changes.

History

The children will be continuing their learning about the Ancient Greeks. Children will compare and contrast the modern-day Olympics with the Ancient Greek events.

Music

We will be continuing with our Brass lessons. We will also be watching the Rookwood performance of Grease at the Lights.

French

The children will be continuing to follow a unit called "All around my house and home".

PE

This term we will be doing invasion games with the focus on football. We will also be looking at improving our sending and receiving skills by learning New Age Kurling skills for our indoor PE slot.

MATHS

This term we will be multiplying numbers up to 4 digits by 1 and 2 digits and dividing by 1 digit. We will then move on to consolidating our work on fractions and learning how to multiply fractions by a whole number. In addition, we will be learning how to draw and measure angles using a protractor.

ENGLISH

We will begin by focusing on a text called 'The Lost Thing' by Shaun Tan – the final outcome will be a letter to persuade. We will then be writing a news report based on the events shown in a video called "Titanium".

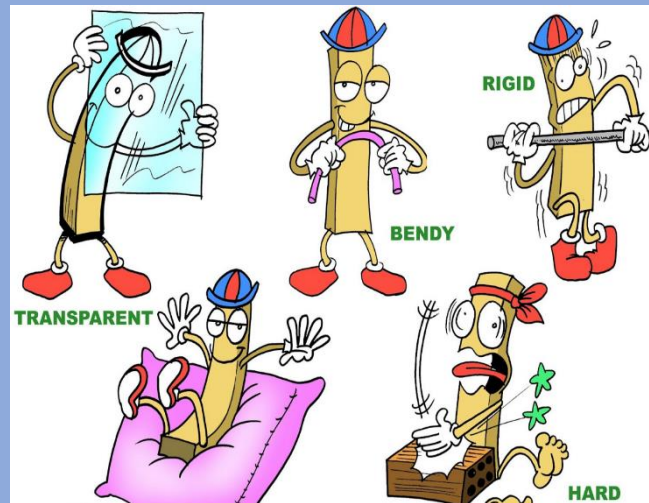

Mysterious Materials! Year 5 Spring 2 2025

PSHE

Students will learn how to understand their rights and the responsibilities that come with these rights.

Computing

Students will be learning about and creating concept maps using 2-connect on Purple Mash.

Art / DT

The children will be creating their own mosaics in the style of the Ancient Greeks.

RE

Resurrection – Peace (Easter)
